Saga 409

Fortune Magazine has twice named our yachts among the "100 Best Products made in America." Now.... that's old news. For 2007, we are making our premier line of cruising yachts the best ever. Hulls are constructed of advanced vinylester resins with DuPont KEVLAR® reinforcements and are equipped with an extensive list of new features destined to make your sailing easier, more comfortable, and best of all...*Fun!*
Explore what the excitement at Pacific Seacraft is all about.
